(8) The Supreme Govt have
resolved on 25/11/1911 that an
additional Third class Health Officer
may be employed immediately for conducting
the Health Survey etc in Rangoon city
The President in forwarding the above resolution
has stated that there is great necessity to
appoint another Assistant Health Officer to assist
the Health Officer in his routine work which
has increased considerably on account of the
formation of extensions etc and has added that
the appointment would facilitate the inoculation
work to control Plague etc in the city

(9) The Director of Public Health who was
consulted in the matter has stated that
the routine work of the Health Officer, Rangoon
has increased considerably with the result that
he has no time left to focus his attention
on important health problems and that it is
necessary to appoint an Assistant to the
Health Officer. He accordingly recommends that
a third class Health Officer in the grade
of Rs 75-5-150 plus Rs 25/- C.A may
be appointed

(10) Having regard to the expansion of
the city in several directions and the
growth of population, in addition the
floating population on Ceremonial occasions
like the Durbars & The Sorting festivals

4602, V

The work of the Health Officer, Myrmecity is on the increase. Constant attention has to be given to the control of epidemics in the Capital city. Hence this resolution of the Myrmecity Board to appoint a Third grade Health Officer on Rs 75-5-150 + Rs 25 C.A. - which has been agreed to by the Director of Public Health who, if sanctioned, will be entered in the Budget of the year. Provision for the purpose in the Budget of the Municipality and the required grant will be directed to be made in the future annual Budgets for the Local Govt.

If this is sanctioned, there would be no necessity to sanction another Health Officer for the purpose referred to in Flag B (marked below)
yes, Gazetted

Office of the President
City Municipal Council Mysore
Date 1st December, 1944

From

R RAMACHANDRA RAO BHOMBORE, Esq, B A
PRESIDENT CITY MUNICIPAL COUNCIL

SECY LAW DEPT GOVT OF MYSORE

MYSORE SECRETARIAT BEN - 4 DEC 1944 G, BRANCH

To

C.Narayanaswamy Naidu, Esq ,B.A.,B.L.,
Legal Remembrancer and Secretary to Government,
Law Department, Bangalore.

Sir,

I have the honour to state that the Health Officer having submitted a report urging on the dire necessity for the appointment of an Assistant Health Officer, to assist him, in his routine work, which has increased considerably on account of formation of extensions and increase of work in other directions, a sum of Rs 1,100/- having been provided for in the current year's budget, for the purpose and sanctioned by Government, the subject was placed before the Municipal Council who after consideration have sanctioned the appointment of a Third Class Health Officer in their meeting held on 25th November 1944 (vide copy of resolution No 423 enclosed herewith) As the appointment of the Third Class Health Officer, would very much facilitate inoculation work to control the plague infection which is on the increase, I request the favour of very early approval of Government to the resolution in view of the urgency of the situation

The pay of this officer may be fixed on grade Rs 75-5-100 + a conveyance allowance of Rs 25/- per mensem.

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT

Subject Appointment of Third Grade Health Officer

With reference to your letter No L 5703 dated 11th December 1944 on the above subject, I have the honour to state that the propose appointment is in addition to the III Grade Health Officer required for certifying food handlers in the several hotels and restaurants in the City In this connection, I wish to state that the Health Offic has been stressing every year on the need for the appointment of a III Grade Health Officer, to assist him in his routine work, so that he ma have more time to focus his attention on more important health problem When the budget estimates of the current year were framed, the Municip Council after a long discussion provided a sum of Rs 1,100/- for this purpose, and it is considered very necessary to create the post of an Assistant to the Health Officer, on a permanent basis

2 As the work of the Health Officer has considerably increased du to the extension of the city and he is not in a position to devote adequate attention to adopt preventive measures at the time of outbrea of epidemics, health propaganda work etc , it is very necessary to giv him an assistant immediately

3 I request therefore that sanction of Government may kindly be accorded very early to the appointment of an Assistant Health Officer of the III Grade on Rs 75-5-100+ C A of Rs 25/- per mensem

4 For conducting Plague inoculations, three doctors have been appointed temporarily, and the services of the Sub Assistant Surgeons of the Local Fund Dispensaries, and a large number of private medical practitioners are also availed of and the inoculation work has been

P T O

been carried on on an intensive scale Besides, cynogasing has also been done in the affected areas Disinfection is also being made wherever rat falls and suspected cases are reported

5 Regarding the appointment of a Health Officer for certifying food handlers, a separate reference will be forwarded shortly

6 I enclose herewith a copy of the fortnightly report ending ~~te~~ the 16th Saturday, December 1944, for favour of information I request for very early orders of sanction to the entertainment of an Assistant Health Officer in view of the urgent need for his services

I have the honour to be,
Sir,
Your most obedient servant,

President.

DVS)

R Ramachandra Rao Bhombore
PRESIDENT

City Municipal Council
Mysore

19th December, 1944

Dear Mr.Narasimha Murthy,

Subject - Report of Public Health in Mysore City during the fortnight ending 15th December, 1944.

I write to inform you that during the fortnight ending 15th December 1944, 19 plague attacks and 12 deaths were reported as against 15 attacks and 12 deaths in the previous fortnight

1829 houses were cynogased during the fortnight as against 1780 in the previous fortnight. 6197 plague inoculations were performed during the fortnight as against 14612 in the previous fortnight

There was no case of small-pox reported during the fortnight as against one death in the previous fortnight

During the fortnight under report, 3 attacks and 1 dea from Diphtheria were reported against one attack in the previous fortnight. Of these cases, 1 attack and 1 death was imported from Kamanakerehundi, Mysore Taluk. Prompt action w taken in supplying necessary quantity of Toxoid and serum (both prophylactic and curative treatment) to the public.

35 Anti-Diphtheria inoculations were performed during the fortnight as against 9 in the previous fortnight

28 stray dogs were destroyed during the fortnight as against 34 in the previous fortnight

Health and Engineering Gangs numbering 420 were employe in intensive cleaning of Mandy-ard Devaraj Mohallas on 2nd and 8th December respectively.

Special efforts are being put forth to control plague infection by intersive use of Cynogas and accelerating the progress of inoculation.

Yours sincerely,

(Sd) R Ramachandra Rao Bhombore

C.Narasimha Murthy,Esq.,M.A.,

Director of Public Health

Bangalore (S India) dated Jany 8, 1945

To

The Secretary to Government,
Law Department, Bangalore

Sir, Subject - Assistant Health Officer for Mysore City

With reference to your letter No L 6445 dated 29th December 1944, I have the honour to inform that it is stated in the President's letter to Government No M5 72-331/ 44 dated 19th December 1944 that the Health Officer has been stressing every year on the need for the appointment of a Third Class Health Officer to assist him in his routine work so that he may have more time to focus his attention on more important health problems

The President has mentioned that in times of necessity he will be useful for inoculation work But the Assistant Health Officer who will be appointed as Assistant to the Health Officer to carry on the routine work as per request of the Health Officer will not be available for the inoculation work except on occasions after attending to his routine work As at present the Municipality will have to appoint temporarily whenever the necessity arises as in Bangalore City Municipality, special duty sub assistant surgeons for inoculation work

The Municipal area has increased to a very great extent and the population has almost doubled itself, within the last 10 years As such, the work of the Health Officer has increased very much The Health Officer is not left time to think in terms of prevention of diseases but his time is greatly spent in supervising the cleaning of the streets, a mechanical work, which does not require a highly trained medical man with public health qualification A medical man with public health qualification should have the supervisory control over this work which can be done by a Sanitary Assistant Engineer or Sub Assistant Engineer

I am of opinion that an Assistant to assist the Health

Proceedings of the Government of His Highness the Maharaja of Mysore

Read— Correspondence ending with letter No MS-72-33/44 dy 19-12-44 from the President, city mcl, Mysore, submitting proposals for the appt of a Third grade Health officer to the Mysore city mcl on a pay of Rs 75-5-100+25-EA to assist the Health officer of the city mcl.

2 Letter No C 3-61/PH/44-45 dy 10-1-45 from the Dir of Public Health furnishing his opinion in the matter

Order No 4986-8-ML.

The Mysore city mcl have resolved on 25-11-44

that an additional Third grade Health Officer may be appointed immediately for conducting the Health Survey in the city. In forwarding the above resolution, the Odt has stated that, owing to the formation of extensions in recent years in the city & the occurrence of epidemics diseases such as plague etc, for the suppression of which effective timely action should be taken, the routine work of the present Health Officer has increased considerably & that the need for appointing an additional Health Officer to assist him is very great.

The Director of Public Health, who was consulted in the matter, has agreed with the above views & has recommended that the above resolution of the Mbl. may be approved & that a
